

Take your HR game to the next level

Enroll in the HR Velocity™ Program

When you join HR Velocity™ you'll not only receive cutting edge knowledge and expertise that translate into a stronger HR strategy, but you'll also find a community of peers, tools, and inspiration to help you execute and succeed.

Leveraging the latest insights, learnings from HR influencers and industry leaders, coupled with strategic coaching, participants are equipped to become a strategic advisor and coach to their executive team peers and organization as a whole.

Be a game-changing leader

The 27 HR Disciplines™

The HR Velocity™ Program centres around The 27 Disciplines™ — the essential elements of any successful HR program. The 27 Disciplines™ cover issues from talent acquisition and workforce planning to organizational design and compensation.

How it works

- Structured annual program for senior HR professionals with a curriculum that enables behavior shifts and sustainable change
- Full-day sessions held every other month
- Content based around The 27 HR Disciplines™
- Sessions feature a leading subject matter expert and a series of interactive exercises
- Participants collaborate via The HR Connection Network, an online community that provides a safe space for sharing questions and challenges

HR Velocity Program 2024 Sessions Edmonton, AB
